RECEIVED

Dear Ms. Adams:

As you know, the Campbell County Utilities and Services Authority currently provides water to Appomattox County under the terms of a water purchase contract dated January 01, 2011. The initial term of this contract is for a period of twenty years, beginning on January 01, 2011 and ending on December 31, 2030. Section II (B) states that the agreement shall terminate if either party provides notice of its intent to terminate prior to December 31, 2028.

At the March 03, 2020 meeting of the Campbell County Board of Supervisors, the Board voted unanimously to direct their appointees to the Campbell County Utilities and Service Authority to terminate the water agreement at the earliest opportunity.

Please be advised that Campbell County Utilities and Service Authority is hereby providing notice of termination of the agreement in keeping with the terms of Section II (B).

Please contact me if you have any questions.

Sincerely,
