VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The time spent in board meetings represents just a small fraction of the hours school board members spend leading in our school division. They also work hard at seminars and training sessions to keep abreast of the latest trends in educational leadership, are deeply involved in community activities and spend many hours in the schools and at extra-curricular events. Their love for learning, and concern and caring for students, staff and community, drives their desire to lead so students can achieve.

Appomattox County Public Schools takes great pride in recognizing the following members of the Appomattox County School Board for their service and dedication to public education:

Mr. Bobby K. Waddell, Chairman

Mr. Gregory A. Smith, Vice-Chairman

Rev. Alfred L. Jones III

Mr. Jason L. Wells

Mr. Wyatt K. Torrence

The VSBA Board of Directors has designated the third week in February (February 17-21, 2020) as VSBA School Board Clerk Appreciation Week, with a goal of building awareness of the pivotal role school board clerks play in working with school board members, superintendents, and our local public schools in Virginia.

Carrington Pritchard, School Board Clerk

Businesses large and small, corporate owned or family-run, play a key role in supporting our communities and local schools. The VSBA Business Honor Roll recognizes local businesses for their support to schools. The Appomattox County School Board submitted **Virginia MetalFab** to the 2023 Virginia School Boards Association Business Honor Roll.
