VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The time spent in board meetings represents just a small fraction of the hours school board members spend leading in our school division. They also work hard at seminars and training sessions to keep abreast of the latest trends in educational leadership, are deeply involved in community activities and spend many hours in the schools and at extra-curricular events. Their love for learning, and concern and caring for students, staff and community, drives their desire to lead so students can achieve.

Appomattox County Public Schools takes great pride in recognizing the members of the Appomattox County School Board for their service and dedication to public education.

Mr. Bobby K. Waddell, Chairman

Mr. Gregory A. Smith, Vice-Chairman

Rev. Alfred L. Jones III

Ms. Cynthia L. Hall

Dr. Wendy Hageman Smith

This professional development program is organized by EF Education First in conjunction with their Global Leadership Summit, which includes students from all over the world and in which the superintendents will participate in Milan. During the Summit, the superintendents will hear from world-renowned speakers and attend workshops as they work together on problem-solving for this year's theme, the Future of Food.

The winners were selected on the basis of their interest in and commitment to global education initiatives within their state. Each contestant had to submit three 400-word essays addressing: how he/she prepares students to be successful in today's global society; how he/she promotes global competency and teach 21st Century skills in his/her school district; how he/she will use his/her travel experience to benefit his/her students and community; and how an international education program would benefit his/her school district.

VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The time spent in board meetings represents just a small fraction of the hours school board members spend leading in our school division. They also work hard at seminars and training sessions to keep abreast of the latest trends in educational leadership, are deeply involved in community activities and spend many hours in the schools and at extra-curricular events. Their love for learning, and concern and caring for students, staff and community, drives their desire to lead so students can achieve.

Appomattox County Public Schools takes great pride in recognizing the members of the Appomattox County School Board for their service and dedication to public education.

VSBA School Board Appreciation Month:

The Virginia School Boards Association (VSBA) has designated February as their annual observance of School Board Appreciation Month.

The time spent in board meetings represents just a small fraction of the hours school board members spend leading in our school division. They also work hard at seminars and training sessions to keep abreast of the latest trends in educational leadership, are deeply involved in community activities and spend many hours in the schools and at extra-curricular events. Their love for learning, and concern and caring for students, staff and community, drives their desire to lead so students can achieve.

Appomattox County Public Schools takes great pride in recognizing the following members of the Appomattox County School Board for their service and dedication to public education:

Mr. Bobby K. Waddell, Chairman
Mr. Gregory A. Smith, Vice-Chairman
Rev. Alfred L. Jones III
Ms. Cynthia L. Hall
Dr. Wendy Hageman Smith
