John Caldwell, Manager
Appomattox Baseball Team
Appomattox, Virginia

Dear John:

The Virginia Semi-Pro Baseball Tournament will start the 3rd Of July. We are getting out a program ahead of time this year and we hope to have the biggest tournament ever. I would like very much to have a picture of your last year's team to enter in the program. If you do not have a picture of last year's team, please send me a copy of this year's team. This program will be sent to all semi-pro and sandlot teams in the state.

Last year I did not devote the time to the tournament that I should have due to serving as General Manager of the Charlottesville Club, however this year I will devote full duty to the tournament. We hope the tournament this year will be even bigger than the 1949 tournament which was the largest in the history of the tournament.

Sincerely yours,

John W. Williams
