Box #126

Dear Sir,

Reference your letter of 5 May 1951, date of Wednesday 6 June 1951, at 8 P.M. E.S.T. is acceptable to this office. There will be 25 men in our squad and we will arrive at the field about 7 P.M. E.S.T. It will be necessary for you to furnish lockerroom and shower facilities for our team.

Other semi-professional teams we have arranged games with recently, have planned to serve a light lunch for the players after the game, consisting of sandwiches and drinks. Perhaps your team would consider this also.

It is suggested you play at Camp Pickett on 2 August 1951. We will try to get use of Blackstone High School Stadium for that night.

Yours for a successful season.
