Sen. S. L. Ferguson,

Dear Senator:

I hope you will pardon me for not calling by your office and thanking you for permitting us to hunt on your land last Saturday, but I was most anxious to get back home as early as possible as we had some friends in for a supper engagement, and I knew that if I went by your office to see you that you would not let me leave your home without breaking bread with you.

Thanking you again, I am

Yours truly,

HMD/RR

Dear Senator-

You will remember we called you some time ago in the interest of the road from Buckingham via Glenmore to Southville and I see that the State Highway Com. will be in Farmville on Nov. 12<sup>th</sup> and should you be there on that date, will greatly appreciate it, if you can put in a good word for this road. I will attend this meeting & no doubt quite a delegation of Buckingham Co. Citizens will be in Farmville on that occasion.

With kindest regards I am  
Yours very truly
