Dear Mr Ferguson -

I expect to be
down from my own & will call
in & see Mrs Ferguson before.
I expected to get your express
and covered on a return
trip from Pamplin but - The
Fair prevented me from

getting only 1 as the whole I took
to Concord & expressed. I will finally
get it - as I go down & take for
the receipts with receipt. I notice
the boxwood looked as if it had been
been heating it - or some one getting it
to get out. It had - as much
green in it - as if - might be some
bit of course will not me to look
after it - & visit on a road
You can't expect anything else. I
